Awareness, Counselling, Guidance & Advocacy Prog.

AADHAR FOUNDATION provide Awareness, Counselling, Guidance and Advocacy to Persons with Disabilities and their parents for the rights and entitlements of the Persons with Disabilities as Education Right, Reservation Quota in Govt. Jobs, Pension, Barrier Free Environment, Scholarship, Certification, Identity Cards, Travelling Concession Certificates, and other rights according to the PWDs Act 1995. The main objective of this programme is to make them self reliant and self dependent to live their lives with honour and dignity.

Programme for Women Development

The organization bridges the gap through various programmes as Family and Women Counselling, Awareness Generation Camps, Pulse Polio Immunization Camps, Reproductive Child Health Camps, Health and Hygiene Awareness Camps, Drive against Female Feticides, to reduce MMR and IMR, income Generation Programmes as per the social and local norms. They are also assisted for studies and rehabilitation through financial help by providing the study materials by organizing Job Oriented Trainings to make them aware of welfare schemes.

Welfare Programme for Elderly Persons

The organization is very much concerned at all levels with all affairs pertaining to the care to look after the elderly persons. The organization is collaborating the other social bodies, organizations to enhance their comfortabilities by arranging good programmes to entertain the elderly people - Special Health Care Camps, Social Gatherings focusing the needs of elderly, distribution of sweets, savanias, dresses, eatable and other items of dire need for their comfortable life.

Early Identification & Intervention Programme

Early intervention therapy mainly focuses on the children between the age group of 0-5 years. It is a process of detecting, assessing, diagnosing and treating the children with developmental delay during the early phase. Early intervention services cater to children 0-6 years who are at risk or have developmental delays. These services focus on prevention, remediation, and treatment to foster a full round development. The services offered are child centred and family oriented and provided by a multi-disciplinary team of experts. Early intervention therapy is a very helpful treatment programme because it targets on teaching proper skills during initial phase.

Community Based Rehabilitation Prog.

In this programme the trained staff members of the organization visit the Persons with Disabilities at their door step and provide Guidance, Counselling and Training to their parents and other Community Members and motivate them to look after the PWDs. The main objective of this programme is the social inclusion and mainstreaming of the PWDs.

Child Development Programme

AADHAR FOUNDATION is committed for the holistic development of the children. To develop the moral values and create interest towards the education among the rural children the organization organizes many programmes. Through awareness camps we trained the children regarding health, hygiene and sanitation to improve their health status.

Health Promotion Activities

The organization organizes Health camps and Health & Hygiene Awareness Programmes to create awareness among needy and poor people of rural and slum urban areas to protect them by diseases spread by dirtiness, unsafe and dirty water. We educate them to live their lives with sound health.

Hostel for Girls with Disabilities (Girls with Special Need)

The organization is running a Hostel for Girls with disabilities supported by State Education Centre & Distt. Education Centre, Madhya Pradesh Govt. with the support of Govt. of India under the project Sarva Siksha Abhiyan "SSA". 50 Girls with special needs who belongs to far-flung rural areas of different blocks of the distt. Chhindwara of Madhya Pradesh are taking complete hostel facilities with Inclusive education, prevocational and vocational training, medical facility, school uniform and other required services etc. free of cost. The main aim of this programme is to provide education and rehabilitation services to those Girls with disabilities who can not gain education easily at their door step and belongs to very needy & poor families.
